**Title I, Part A Single-School LEA Parent and Family Engagement**

**Introduction**

Research has shown that the attitudes, behavior and achievement of children are enhanced when parents or other caregivers are involved in their children's education. To that end, Darnall Charter School (the "LEA") has adopted this parent and family engagement policy in order to promote learning and provide a more positive educational experience for students. This policy is also to be incorporated into the LEA's plan developed pursuant to federal law, and submitted to the California Department of Education with the LEA's Consolidated Application.

**Involvement in Drafting the LEA Plan**

Parents and family members of participating children will be involved in the development of the LEA plan required by federal law. On an annual basis, the LEA will submit the LEA plan to the School Site Council and the District English Learner Advisory Committee, as well as the parent activities group for review and suggested changes before the plan is submitted to the California Department of Education ("CDE") with the Consolidated Application. In addition, all parents of participating children will annually be invited to review the LEA plan and submit comments. If the LEA plan is not satisfactory to the parents of participating children, the LEA will submit any comments from parents of participating children with the LEA plan when it is submitted to the CDE.

**Coordination, Technical Assistance, and Other Support**

The LEA will provide the coordination, technical assistance and other support necessary to plan and implement effective parent and family engagement activities to improve student academic achievement and school performance in the following ways:

- The LEA will reserve not less than 1% of its Title I allocation to carry out parent involvement activities if it receives more than \$500,000 in funds under Title I, Part A, Subpart 2.
- The LEA will collaborate with parent/family groups to devise a timeline for parental involvement activities throughout the school year and communicate to ensure that the activities occur.

**Annual Meeting**

At the beginning of each school year, the School shall convene a meeting to which all parents of children participating in Title I, Part A programs are invited and encouraged to attend. The School will hold additional meetings on a monthly basis to ensure maximum parental participation. The information provided at the meetings will inform parents and families of the

School's receipt of Title I, Part A funds and the specific requirements of Title I, Part A. Additionally, parents shall be informed of their rights to be involved in Title I, Part A programs.

### **Notice**

At the beginning of the school year, the School will send via email a notice to all parents containing, but not limited to, the following information about Title I, Part A programs:

- An explanation of the requirements of Title I, Part A programs.
- A description of the rights parents have for participation in Title I, Part A programs.
- A description (including timing of meetings, location, etc.) of how parents can participate in the planning, review and/or improvement of the parent involvement policy and the schoolwide program.
- A description and explanation of the curriculum in use at the School, the forms of academic assessment used to measure student progress and the achievement levels of the challenging State academic standards.
- An invitation to attend the annual meeting and additional meetings, providing information about the purpose of the meetings and the dates and times.
- A copy of the most current Parent and Family Engagement Policy and a feedback form for parents to comment on its content.

In addition to emailing this notice, the School will post the information on its website.

### **Title I, Part A Program Involvement**

In order to involve parents in an organized, ongoing and timely way in the planning, review and improvement of Title I, Part A programs and the parent involvement policy, the School will involve parents of participating students as follows:

- The School will publish a regular newsletter with notification of upcoming participation opportunities.
- The School will create a Parent Council where it will plan, review and improve Title I, Part A programs and the parent involvement policy. The Parent Council will meet quarterly on campus and will include parents and families that reflect the diverse makeup of our school community. Additionally, the Parent Council will be involved in decisions regarding how funds reserved for parent involvement activities are allotted for those activities.
- If requested by parents of participating children, the School will schedule regular meetings where parents are able to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children. The School will respond to such suggestions within thirty days, and as soon as practicably possible (20 U.S.C. § 6318(c)(4)(C).)

If the schoolwide program plan is not satisfactory to parents of participating children, the School will submit any parent comments on the plan when it submits the plan as required by 20 U.S.C. § 6318(c)(5).

## **Standards, Assessments, Title I Requirements, Monitoring Progress and Improving Student Achievement**

In order to ensure effective parental involvement and support a partnership among the LEA, parents and the community to improve student academic achievement, the LEA will provide the following programs to assist parents in understanding the challenging State academic standards, State student academic achievement standards, State and local academic assessments, Title I requirements, and how to monitor their child's progress and work with educators to improve the academic achievement of their children (collectively referred to "Standards and Requirements"):

The training shall take place each year in staff orientations, annual staff development materials and other in-service trainings held throughout the school year. Additionally, a survey will be sent home to parents of participating students that solicits information on what skills each parent has to offer the LEA and what types of parental involvement programs in which parents would most likely participate.

### **Other Optional Parent Participation**

In order to maximize parental involvement and participation, the LEA will arrange school meetings at various times or conduct in-home conferences between teachers or other educators, who work directly with participating children, with parents who are unable to attend such conferences at the LEA. The LEA will develop appropriate roles for community-based organizations and businesses in parent involvement activities, such as sponsoring events, providing volunteers for school activities, and/or creating internships for students.

### **Coordination with Other Programs**

The LEA shall, to the extent feasible and appropriate, coordinate and integrate parent involvement programs and activities with other federal, state and local programs, including public preschool programs and conduct other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their children. The LEA will coordinate and integrate parent involvement programs and activities with these programs as follows:

- Requiring that the school conduct meetings involving parents, kindergarten or elementary school teachers, and Head Start teachers or, if appropriate, teachers from other early childhood development programs such as the Early Reading First program, to discuss the developmental and other needs of individual children.
- Developing and implementing a systematic procedure for receiving records regarding such children, transferred with parental consent from a Head Start program or, where applicable, another early childhood development program such as the Early Reading First program.

### **Annual Evaluation**

The LEA, with the involvement of parents, shall conduct an annual evaluation of the content and effectiveness of this family involvement policy in improving the academic quality of the schools served under Title I, Part A, including identifying barriers to greater participation by parents in activities under federal law. This annual evaluation will be conducted by survey and data will be shared with pertinent school staff. The LEA will pay particular attention to parents who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background. The LEA will use the findings of such evaluation to design strategies for more effective parental involvement and to revise, if necessary, this family involvement policy.

### **School-Parent Compact**

At the beginning of each school year, the School will enter into School-Parent Compacts with parents of participating children. The School-Parent Compact will outline how parents, the entire school staff and students will share the responsibility for improved student academic achievement and the means by which the School and parents will build and develop a partnership

to help children achieve the State's high standards. The Parent Council will annually evaluate the effectiveness of the School-Parent Compact and provide feedback and suggestions for revision.

### **Involvement of Parents of Limited English Proficient Students, Disabled Parents and Parents of Migratory Children**
